

Welcome Newcomers!

Are you new to USAG Benelux?  
Do you have questions or need information relevant to  
SHAPE, Chievres Garrison, USAG Brussels, or USAG Schinnen?

The USAG Benelux DMWR Marketing Branch has produced a solution for you  
and your family!

**"The Best of the Benelux, A Newcomer's Companion"**  
is now available on CD.

This Newcomer's Companion has been produced specifically for  
the needs and requirements of Newcomers, and  
represents the most important information source for the Benelux.

Ask for your copy at your community's ACS office or Central Processing Facility  
on SHAPE!

NOTE: Since this first-ever Benelux Newcomers Companion is a "prototype", you may find some errors and/or omissions. In that regard, DMWR Marketing Branch awaits your review, feedback, and recommendations for improvements and additions (our phone number is listed on the CD label). After a full review by our community members, DMWR Marketing will be producing a hard cover, magazine format Newcomer's Companion later this year and will be available to the entire community. We thank you in advance, and we will greatly appreciate your comments to assist with the completion of our final product.
